

# DZH4000 Series

CALDWELL, IDAHO USA (208) 585-2929

Legendary Diamond Z performance is available in a broad range of horizontal packages. The C18 Caterpillar engine is available in Tier 2, Tier 3, Tier 4i, as well as Tier 4 final. Powerful economical engines, combined with our aggressive down-cut mill, delivers production rates up to 120 tons per hour. The DZH4000 offers easy transportability, friendly operation, ease of maintenance and attention to detail throughout...all hallmark traits of a Diamond Z grinder.
